IT'S HELL ON WHEELS as the Ghost Rider makes his roaring return! When a mysterious object from space crash-lands in Southern California, some of the brightest minds in the Marvel Universe are drawn to Robbie's backyard – including Amadeus Cho, the Totally Awesome Hulk! What mayhem will be unleashed as the high-octane hothead comes face-to-face with the jade genius? And with Robbie still possessed by the ghost of his evil uncle Eli, who's really in the Ghost Rider's driver's seat? A giant purple space monster will walk the Earth, but who's that on Ghost Rider's trail? None other than the Wolverine! With Silk and the Agents of S.H.I.E.L.D. along for the ride, it's time to strap in and start your engines – this one's gonna be a scorcher!

SILK.
EAST COAST FRIENDLY NEIGHBORHOOD WEB-SLINGER.
UM. HI.
SOOO...I THOUGHT I COULD FINALLY LIE BACK AND ENJOY A BIT OF A VACAY ON THE WEST COAST WHILE DOING A LOW-KEY FLUFF PIECE ABOUT THE DANGERS OF GAMBLING ADDICTION IN LAS VEGAS...
...BUT, NOTHING'S EASY FOR YOU, CINDY MOON...
...NEXT THING I KNOW, THIS CRAZY PURPLE MUTANT SINGLES ME OUT AND COMES GUNNING FOR ME.
THAT'S PRETTY MUCH WHAT HAPPENED TO ME. ONLY I WAS IN L.A. HAVING TACOS WITH MY LI'L SIS.
IT BIT ME FIRST!
I MEAN... I DISCOVERED THE ORGANISM IN QUESTION.
AND I'M GONNA NAME IT. ONCE WE CAPTURE IT.
YOU SHOULD JOIN US, SILK...SINCE...YOU'RE ALREADY BITTEN.
THIS THING IS CLEARLY ON A MISSION TO FIND ALL THE SUPER-POWERED VICTIMS IT CAN AND ASSIMILATE THEIR DNA.
CONSIDERING IT GETS STRONGER EVERY TIME IT BITES ONE OF US, WE REALLY CAN'T SEEK HELP FROM ANY OTHER HERO FRIENDS.
ANY MORE POWER WOULD MAKE IT VIRTUALLY UNSTOPPABLE.
WELL, COUNT ME IN!
AND DON'T WORRY. I THINK I KNOW SOME FOLKS WHO CAN HELP.

SILK. DID WE HAVE TO MEET ALL THE WAY OUT HERE?
I'M SORRY, GUYS. THEY PICKED THE RENDEZVOUS POINT, NOT ME.
MOJAVE DESERT. SOUTHERN NEVADA. 11:52 A.M.

SILK, HERE, TELLS US YOU GUYS COULD USE A LITTLE HELP.
WHAT'S THE SITUATION?
TO BE CONTINUED!

HOW'S MY DRIVING?

Fernando Yukich fan art:

Fernando!

This Robbie Reyes Ghost Rider fan art is AWESOME!

The expression on Robbie's face captures his unwavering determination, and you've included all the details of the original All-New Ghost Rider Metal Engine Skull in this sweet profile shot!

Badass!

I just finished reading the first issue of GHOST RIDER and all I've got to say is it's about time Robbie got back behind the wheel! I've been a huge fan of the All-New Ghost Rider ever since the 2014 title came out. I loved everything about it from the stunning artwork by Tradd Moore to the brilliant writing of Felipe Smith (thanks for bringing them BOTH back!).

One of the main reasons I love this book is the fact that Robbie is from the west coast. Almost every single comic book that I've picked up takes place in the Big Apple and that's fine, I love it! But I've been living on the West Coast my whole life and I've never been further east than Arizona (I know, I need to travel more). So just the fact that these stories take place in settings that I'm actually familiar with and have been to myself makes it that much more awesome and fun to read!

Anyways, I could go on and on about why I love this book but I'd fill up your entire letters column so I'll shut up now. Keep on doing what you're doing!

Sincerely,
Alexander Nagata
Bermuda Dunes, CA

Alexander!

Thanks for writing with such kind words and support! Team Ghost Rider greatly appreciates it! I live on the West Coast as well (in Los Angeles) and when editor Mark Paniccia offered me the opportunity to create an entirely new Ghost Rider, the first thing I knew was that I wanted him on the West Coast and specifically in L.A.!

I really wanted Robbie's story to develop independently of all the unbelievable things that happen so regularly on the East Coast in the Marvel U, so setting him apart geographically, in a way, allowed us to create a very particular vibe in our series.

Also, between you and me, as MR. HYDE put it, "West Side is the BEST Side," Alexander!

Thanks again for writing!

Ghost Rider team:

So glad Robbie has a series again! Loved the first issue and can't wait to see where you take it from here! Also I was wondering since this series says "Robbie Reyes: Ghost Rider" as the title, is there any chance we may see a "Johnny Blaze: Ghost Rider" title coinciding? Never too much Rider! Am/

-Kyle Vaughn

PS here is some fan art as well!

Kyle!

Your fan art looks AMAZING! Also, thanks for picking up EVERY SINGLE ISSUE Robbie's ever been in! You're the best!

I'm glad you enjoyed our newest issue as well! We've got a quite a few cool (blazing hot might be more appropriate) things cookin', so stay tuned! As for a Johnny Blaze series, I can't really comment on that, but it would be pretty cool! Thanks again for your interest and support!

Please print my Robbie Reyes Ghost Rider cosplay in one of your comics! That would be amazing and I'd really appreciate it!!

I hope you enjoy it! Thank you!

Best regards,
James

James!

Your Robbie Reyes Ghost Rider cosplay is WICKED! I've seen it on Instagram before and I'm pretty certain I've commented on your photos as well! Seeing people build costumes based on a character you've had a hand in creating is unbelievably exciting, and having an opportunity to share their cosplay with others is just as great! So here's your photo, James!

Thanks for cosplaying and representing Robbie Reyes, Ghost Rider, to the fullest!

Well, that's all the room we had in this issue, guys, but please send more of your fan mail, fan art and cosplay to *MHEROES@MARVEL.COM* and mark them *"OKAY to Print"*!

HOW'S MY DRIVING?

Hello!

I am loving the GHOST RIDER series. Living in Los Angeles all my life, it is cool to have the story take place in the city I know! Plus, you've implemented my favorite current characters TOTALLY AWESOME HULK Amadeus Cho, and the ALL-NEW WOLVERINE Laura Kinney. I must admit being a huge fan of the biker classic GHOST RIDER, I was skeptical in my opinions on Robbie Reyes. Your book is making me love the character and his sweet ride! It has a unique distinctly Marvel feel but also has a Sons of Anarchy type vibe (despite the lack of bikes). Reyes is awesome and has a great character backstory. Plus, he and Gabe give me life! Keep up this awesome book! Robbie has now added himself to the list of my favorite characters.

-Tommy M.

P.S. If you need a stand-in 18-year-old brown-haired character while the characters are in Los Angeles, I'm your guy!

Hey, Tommy!

I'm very happy to hear you're enjoying our series!

I live in Los Angeles as well and, although we often see our city in movies and on TV, we don't as often see it in comics. I'm glad to bring a little West Coast flavor to the Marvel U! I'm also glad that Robbie Reyes has won you over as a classic Ghost Rider fan! I grew up reading the Danny Ketch '90s GHOST RIDER, when Johnny Blaze was no longer a Spirit of Vengeance but brandished a Hellfire Shotgun! I thought the bike-riding duo was absolutely badass and I'm very happy that fans of Robbie's Ghost Rider predecessors have gladly welcomed him to the family!

Thanks for reading and supporting, Tommy!

P.S. Haha! Thanks!

Really liking the work Danilo Beyruth and Jesus Aburtov are contributing for this book, giving me the same kind of vibe Tony Moore did in CIRCLE OF FOUR a few years ago.

-Zane Hayden

Very happy to hear it, Zane!

Danilo and Jesus have really brought the ARTISTIC HEAT to our series! I'm glad you're enjoying their visuals as much as we are!

Thanks for reading!

Dear Marvel,

Ghost Rider has always been one of my favorite super heroes and I'm glad he has a new comic series. I love how his new ride is the Hell Charger. It looks amazing. I have some questions though: 1. Is the Hobgoblin coming back because he always was my favorite Ghost Rider villain. 2. Is Robbie going to meet Johnny Blaze or Dan Ketch? 3. Does he know the full extent of his powers? Just keep up the phenomenal work.

-Reece

Hey, Reece!

I'm glad the HELL CHARGER has your approval! The original car design has been one of my favorites ever since the age of 3, when I saw the orange General Lee in the *Dukes of Hazzard* TV show. Now give it a jet-black paint job and a blower, wrap it in flames, and put Robbie Reyes behind the wheel: BEST RIDE EVER! As for your questions: 1. Maybe one day! 2. Robbie's already met Johnny Blaze! Check out the ALL-NEW GHOST RIDER LEGEND trade paperback where Old-School Spirit of Vengeance meets New-School Spirit of Eli! If you'd like to see Reyes, Blaze, and Ketch duke it out in a race for their souls, you can check out the SECRET WARS miniseries, GHOST RACERS! 3. Nope! Robbie is not even close to understanding how truly powerful he is yet. Thanks for your kind, supportive words!

I did this fan art of Robbie Reyes' Ghost Rider months ago just in time for his *Agents of S.H.I.E.L.D.* debut and his return to comics. Glad he's back!

-Carlos Alcazaren

Carlos!

Awesome ROBBIE REYES GHOST RIDER piece! I LOVE it! Glad you're watching him on *Agents of S.H.I.E.L.D.* and even gladder that you're reading his ongoing story with us! It's great to have him back on the road! Thanks for reading!

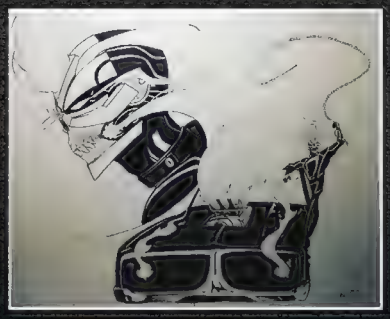
ALL-NEW GHOST RIDER is the first GR I ever read and I instantly loved it enough to try to cosplay him.

-David
(me at Northeast Comic Con)

Hey, David!

I'm happy and honored to know that Robbie is the first Ghost Rider you've ever read! I'm just as happy and honored to see your Robbie Reyes cosplay! AWESOME! Thanks for repping our Hillrock Heights Legend!

I really enjoyed the last run of GHOST RIDER and I hope he stays just as badass and high-octane! There's no color, hope that's okay!



-Trevor Hall

Trevor!

This piece is SWEET! Looks great as it is in B&W! Beautiful lines, great detail and attention to the ENGINE SKULL design, nice layout, and composition: BADASS! Thanks for sharing!

Dear Team Robbie,

I just finished reading the first issue of GHOST RIDER and all I've got to say is -- it's about time Robbie got back behind the wheel! I've been a huge fan of the ALL-NEW GHOST RIDER ever since the 2014 title came out. I loved everything about it from the stunning artwork by Tradd Moore to the brilliant writing of Felipe Smith. (Thanks for bringing them BOTH back!)

One of the main reasons I love this book is the fact that Robbie is from the West Coast. Almost every single comic book that I've picked up takes place in the Big Apple and that's fine, I love it! But I've been living on the West Coast my whole life and I've never been further east than Arizona (I know, I need to travel more). So just the fact that these stories take place in settings that I'm actually familiar with and have been to myself makes it that much more awesome and fun to read!

Anyway, I could go on and on about why I love this book but I'd fill up your entire letters column so I'll shut up now. Keep on doing what you're doing!

Sincerely,
Alexander Nagata
Bermuda Dunes, CA

Alexander!

Thanks for writing with such kind words and support! Team Ghost Rider greatly appreciates it! I live on the West Coast as well (in Los Angeles) and when editor Mark Paniccia offered me the opportunity to create an entirely new Ghost Rider, the first thing I knew was that I wanted him on the West Coast and specifically in LA!

I really wanted Robbie's story to develop independently of all the unbelievable things that happen so regularly on the East Coast in the Marvel U; so setting him apart geographically, in a way, allowed us to create a very particular vibe in our series.

Also, between you and me, as MR. HYDE put it, "West Side is the BEST Side," Alexander! Thanks again for writing!

As a Hispanic teenager, I'm super excited about this comic. I've waited since SECRET WARS for this series and I love the first issues! Ghost Rider has always been one of my favorite heroes, and when I found out the newest iteration was Hispanic way back when I was filled with amazement! You keep doing awesome and I'm ready for this series like it's nobody's business!

Rock on,
Brandon Peña

Hey, Brandon!

It makes me happy to hear that Robbie's heritage makes you proud! I myself am half Argentinean on my Mom's side (and half Jamaican on my Dad's) and was raised in Buenos Aires, Argentina, from age 5 to 18. I'm glad to be able to bring a bit of our culture to this series and perhaps even HAPPIER that readers like you stuck with us for one full year hiatus between GHOST RACERS and this series! Thanks go out to you and everyone else who waited patiently and joined us for Robbie's comeback! We're pumped to have such awesome readers!

It's good to see Ghost Rider back in comics! Attached is a piece of fan art that I worked up.

Brett Uher
Eagle River, Alaska

Hey, Brett!

Your Ghost Rider piece looks amazing! I love the pose, the great inking, and especially the biker gang patch featuring the MEDALLION OF POWER from the Danny Ketch 90's run! LEGIT! Thanks for sharing your art with us and thanks for reading!

In honor of my favorite comic book character, I got a Ghost Rider tattoo. I've been a Ghost Rider fan since I was a little kid but I became an even bigger fan when Robbie Reyes was created. I really enjoy the stories being told and also enjoyed the way he was portrayed in *Agents of S.H.I.E.L.D.* Hopefully Robbie Reyes can land his own show in the future.

-Lupe Botello
Waco, TX

Lupe! WHOA!

Your ROBBIE REYES GHOST RIDER tattoo looks AWESOME! I'm honored to see you represent our boy with such amazing body art! I completely agree! Gabriel Luna did an exceptional job portraying the live-action Robbie in *Agents of S.H.I.E.L.D.!* I don't think they could've cast a better actor to play him. He just nailed the performance! Like so many others, I'd love to see a Robbie Reyes Ghost Rider spin-off series with Luna piloting the Hell Charger! Let's keep 'em crossed! Thanks for sharing your tattoo with us and supporting our series!

Hi, Ghost Rider Team, how are you? I hope things are great there.

Love this new GHOST RIDER comic.

The change from motorbike into muscle car is nice. Like the story so far also. Can't help but make one fan art out of it. I hope the team likes it.

Good luck with the book and thanks!

Best Regards,
Pipin Tobing

Hey, Pipin!

I'm happy to hear you're enjoying our series, and WOW! What an awesome piece! Very striking and dynamic! Beautiful line quality and use of white vs solid black in your inking. I can just hear him "HIYAAR"-ing over the loud roaring of the Hell Charger's flames! SOLID! Thanks for sharing!

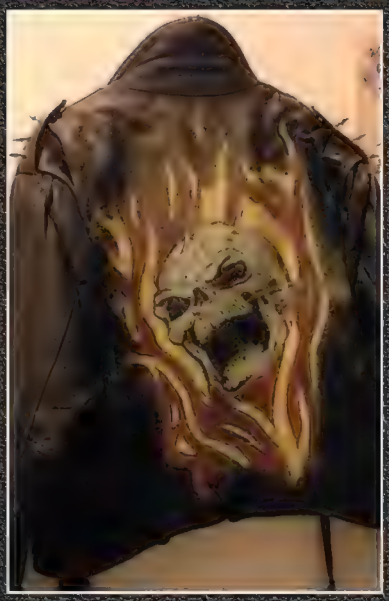
Thanks for the love and appreciation of my artwork on Instagram, Felipe! This new series so far is on FIRE!!!

Emilio Gasca
Anaheim, CA

Thank YOU for sharing this awesome (and dedicated!) illustration, Emilio!

I love it and I'm certain that Tradd Moore and Gabriel Luna will, too! If you do any new Robbie Ghost Rider art, please tag @felipesmithart so I can take a peek! Thanks for reading and supporting!

I've been a fan of old flame-head since the late '70s, and here is my old leather jacket I've had since 1988. As soon as I got it, I painted a Bob Budiansky Ghost Rider from issue #68 (1982) on it and added some glow-in-the-dark paint on it once it had dried. Note the spikes on the shoulders, a nod to the Javier Saltares Ghost Rider of the 90s. BTW, if you are wondering, I still wear the jacket from time to time.



Mirko
Toronto, Canada

Mirko!

That jacket is an absolute stunner! It's good to know that you still throw it on and give it a walk around every once in a while. The Danny Ketch spikes are awesome and the glow-in-the-dark paint is a killer touch! I love glow-in-the-dark art; particularly skeletons and skulls! Thanks for sharing and supporting, Mirko!

Hi! I am a huge fan of the all-new GHOST RIDER! My dream is to do art for the books some day! Here is a piece I just did! I have more art at @drewgarces on Instagram! I am 19 and in school at SVA in NYC.

Hey, Drew!

I recognize these! I've seen them on Instagram! They're great! It's cool that you're attending the School of Visual Arts in New York. I went to art school, too. Work hard and get those assignments done! Haha! Judging by your Ghost Rider illustrations I'd say you have a good chance of achieving your dream! Keep grinding! I wish you the best of luck!

Well, that's all the room we had in this issue, guys, but please send more or your fan mail, fan art, and cosplay to MHEROES@MARVEL.COM and mark them "Okay to Print"!

Thanks for reading!
